

VET in Schools: Teachers Blended Model TAE40110 Cert IV Training & Assessment

Course descriptor:

We understand the wealth of experience that VET in Schools teachers bring to this qualification. We also understand the complexities of the ever changing VET environment and compliance requirements. Through extensive research with teachers and school representatives we have designed a specific program for VET in Schools teachers. Using the latest “Flipped Learning” methodology, this program consists of a blend of on-line learning, 5 face-to-face workshops and Recognition of Prior Learning.

Audience:

Teachers delivering VET in School programs

Topics covered include:

- Demystifying the ever changing VET Sector
- Designing VET in Schools programs that meet all Training Package requirements
- What “competency based assessment” means in practice for you and your students
- How to meet all the VET regulatory and quality requirements and still meet student’s needs

Benefits include:

- Flexibility - Ability to undertake on-line learning at times convenient to you
- Being recognised for the skills and knowledge you already have via RPL
- Building confidence in your ability to meet rigorous VET sector audit requirements when designing training and assessment that meets all AQTF requirements and student needs

Facilitators:

This program is delivered by highly experienced and nationally recognised VET experts

Duration: Consisting of online, RPL and 5 face-to-face workshops:

- **2 Hours** Introduction to Learning Management System and Course Orientation
- **2 Days** VET Sector and Design
- **2 Days** Competency Based Assessment,
- **1 Day** Workplace Training

Time: Daily 9:00 am to 4:00 pm

Investment: \$1000
